

2023 Annual Report of the NLS Database Coordinators

Summary of this year's activities:

- 1) Standardized the registration system to be used for NLS Annual Gathering, i.e. multiple forms that can be used for virtual and in-person gatherings, refine process, and integrate information to be used by the Host Committee.
- 2) Reviewed Constant Contact usage – review other products – more work to be done in this area.
- 3) Analyze usage of data to be provided to Regional Coordinators and Executive Committee.
- 4) Analyze process to track Secretariat leadership reported to NLS.
