

2023 Annual Report of the NLS Non-Profit Compliance Coordinator

For me, it's been a slow year compared to last year! One minute I think that I have everything in check and the next minute things change and I have to be flexible to find the answers to meet your needs.

Listed below are the other activities that have been part of my responsibilities.

- Conferred on trademark guidelines
- Conferred on non-profit status for distribution center, seeking attorney assistance
- Conferred with John Aclin and Steve Barnett with Harbor Compliance to make sure our files are complete and updated as the registered agent for NLS

In addition to this, I have participated in the bi-monthly NLS Board Meetings. It has been a pleasure to serve you.

Sincerely,

Suzanne (Sue) Bathe
