

2023 Annual Report of the Region 5 Coordinator

We are looking forward to getting back to normal in Region 5. Living Stones VdC serving Maryland, Virginia and metro DC held a co-ed weekend in April and Ultreyas every other month. All 7 Secretariats at least had Zoom meetings and Ultreyas. Fall weekends are now planned in most of our communities. We are most definitely looking forward to moving forward and strengthening our 4th Day communities.

God loves you and so do I,

Rose Briggs
