

2023 Annual Report of the Region 3 Coordinator

Texas VdC

Texas had weekend #101 in March 2023 & weekend #102 is scheduled for the last weekend of August 2023.

We began distributing a quarterly newsletter to our 4th day members in January, then in April, with our next ones planned for July & October.

We have a long time regular Ultreya the 4th Monday of the month in Seguin. In October 2022, we started hosting almost monthly Ultreyas rotating between the San Antonio churches the 1st weekend of the month, either on Saturday or Sunday evenings. along with worship held by the host congregation. We also had our first Ultreya in Austin in May with hopes to continue quarterly.

A-OK VdC

AOK met for the first time in 3 years for an Ultreya on March 11, 2023. Although it was a small group, it was good to be together again. Our upcoming weekend No. 43 will be in Subiaco, Arkansas on June 22 through 25, 2023. This is a new retreat center for us. Ellick Morey is the rector, and he is so looking forward to it and getting started back up. With God's help (and we know He will be there), it will be fantastic. We don't have any more weekends planned for this year because of scheduling conflicts with the retreat centers and the observing rector.

Gulf Coast VdC

Gulf Coast is working on putting together its second weekend for 2023! Weekend #7 Rector is putting together her team. We are settling into a new location for our weekends.

LVDCNT (North Texas)

LVDCNT held its second post-pandemic weekend March 2023. This was also the second weekend at a different retreat center. The retreat center is further away for a lot of our 4th Day. So, the secretariat offered the opportunity for 4th Day people to stay at the retreat center overnight Saturday (at their own expense), to be there for Serenade, Wakeup, and Clausura. This was very successful, as there were at least as many, if not more, 4th Day people at Wakeup and Clausura than at the past weekend.

The next weekend is scheduled for August 2023.

One challenge continues to be having enough Spiritual Directors.

Region 3

We are working on scheduling a Region 3 Ultreya, either online or in-person.
