

2024 Non-Compliance Coordinator Annual Report

For me, it's been a slow year! One minute you think that you have everything in check and the next minute things change and you must be flexible to find the answers to meet your needs. Listed below are the other activities that have been part of my responsibilities.

- Conferred on trademark guidelines
- Conferred on non-profit status for distribution center, seeking attorney assistance
- Conferred with Steve Barnett, Treasurer, with Harbor Compliance to make sure our files are complete and updated as the registered agent for NLS

In addition to this, I have participated in the bi-monthly NLS Board Meetings as I have been requested. It has been a pleasure to serve you.

Sincerely,
Suzanne (Sue) Bathe
Non-Compliance Coordinator
