

Jeff Gordon, RN

De Colores! I'm Jeff Gordon, and I am excited to attend my first Annual Gathering!

Ever share God's love in Walmart or Taco Bell? I'm your speaker for the third session and will share how with fun outreach stories, was told I'm supposed to do a summary of all the other speaker's messages, and make it fast. We'll have fun and high energy during this session! It being Vegas, I guarantee a jackpot and you will actually get cash in your hand.

My careers have been in the Army as a combat veteran mustang. A mustang served both as enlisted as an officer. Combat time enlisted as a paratrooper; officer time as a combat arms Armor officer and also commanding a Military Police Company for three years. Another 19 years with the Department of Energy National Nuclear Security Administration Nevada Test Site Operations contractors. Retired, lived in the Caribbean, got bored and have been an ER RN and more for 12 years. It's fun saving lives now instead of hunting bad guys down to kill them.

My Three-Day experience began with Light in the Desert at Community Lutheran Church in Las Vegas. I have served our community on the Secretariat and on teams during more than a dozen weekends.

My passion is leading myself first showing God's grace with an excellent attitude smiling and supporting as many as I can every day. I say it at work every day, "We treat all patients with dignity and respect." And yes, that applies to people that are homeless, whores, criminals, violent people and all the really good people as well. Like you.

Thank you for the opportunity to share some more blessings with you during this awesome annual gathering!
