

My name is Randy Poisel. I attended Men's weekend #22 in the fall of 1995. My wife Marcia and I worship our Lord and Savior at King of Glory Lutheran in Carmel, Indiana. We are parents to 2 adult children, their spouses, and grandparents to 5 grandchildren.

I am a senior systems IT analyst with a major student loan processing company in Fishers, Indiana. I enjoy camping, fishing, woodworking and beekeeping.

I was pre-weekend chair for our Indiana-Kentucky Secretariat for several years. I was involved with automating the registration process for our INKY organization, and helped to create the database for INKY, tracking the membership and service of team members on weekends. Our Secretariat was instrumental in expanding our area from just the northern Indiana area to the southern Indiana and northern Kentucky areas as well. That was a true joy!!!

My wife and I were involved with the planning for and registration/housing of the attendees for the NLS Annual Gatherings held in Indianapolis in 2019 and 2023.
