First and foremost, pray for guidance before and while completing this form.

I have read through the current Job Description located at <https://viadecristo.org/meet-us/roles/vp-administration-vpa/> and have a good understanding of what the position entails:

X Yes No

Are you active in a reunion group? Yes X No. If "No", Explain:

Any family information you would like to share: Married to wife Marcia for 43 years, have 2 adult married children and 5 grandchildren

Occupation (If retired, what was your occupation): Senior Systems IT Analyst

How do you feel your occupation, current or former, would help you in this position: My ability to work with large groups of people, listen to their questions and concerns, and willingness to solve a problem or concern will help me work with the different Secretariats.

Computer skills: X Word X Excel X Email X PowerPoint X Zoom Other

Your experience with event planning, coordinating events, creative thinking, attention to details and visioning: I have helped plan and execute NLSAG events in 2019 and 2023, both held at University of Indianapolis. I have helped plan several local Ultreyas. I've served on our INKY Secretariat as Pre-Weekend Chair and also have worked on our Secretariat registering Pilgrims for their weekend. I was instrumental in expanding Indiana's Secretariat to include areas south of Indianapolis and in the Kentucky area, This expansion created the ability to hold weekends both in northern Indiana and also in the southern Indiana/northern Kentucky areas,

Communication skills/experience: I'm able to work with large groups of people, as well as smaller teams. In my work, I need to do both. I've been able to manage and delegate tasks involved in large projects.

Other experience which would help you as the Vice President for Administration: The fact that INKY was honored to host 2 Annual Gatherings in the past 4 years has helped me gain an understanding of what is involved with the planning of these larger events. It has helped me see the bigger picture of how Secretariats can work together and share ideas to help our ministry grow and move forward.

Special interests: I enjoy travel, spending time with our adorable grandchildren, woodworking, beekeeping, and playing in a semi-professional community Handbell group.

How do you see the position of Vice President for Administration promoting and supporting the growth and health of the Via de Cristo ministry? I feel our movement had been struggling before Covid, and we need to grow positively again after that setback. I think we need to be more diligent in sharing VdC with others, and also sharing ideas with other Secretariats to learn some better practices within their communities that we also can learn from.

Why do you feel you would be the best person for this position? I have felt called to be more involved with VdC on many levels, as this ministry has meant so much to me. The friends my wife and I have made through VdC are priceless! I would hope to be able to add ideas and move our Secretariats into new directions and more exciting times!
