

## 2025 Annual Report: Non-Profit Compliance Coordinator

This report summarizes my activities and contributions as the Non-Profit Compliance Coordinator for 2025.

### Compliance Filings and Oversight

I collaborated closely with Jerry Gray on our annual non-profit filings. This included:

- Monitoring and reminding of **due dates** for all required submissions.
- Reviewing two **Minnesota State Filings** and one **Federal filing** after their preparation by Jerry.

### Financial Review and Support

I will be conducting a review of the **NLS and Distribution Center financial records** during the Annual Gathering. I will need one or two volunteers to assist with this process. Please contact me if you are interested in helping.

### Executive Board Engagement

I've been available to attend the NLS Executive monthly meetings upon request. I was pleased to attend the **June 2025 meeting**.

### Ongoing Support

I've maintained a practice of **daily prayer** for the members of our Executive Board and affiliated Secretariats.

It has been a pleasure to serve you.

Sincerely,

Steve Barnett Non-Profit Compliance Coordinator
