Special interests:

I enjoy travel, spending time with our adorable grandchildren, woodworking and Beekeeping. I volunteer at a local hospital with a group called NODA – No One Dies Alone – we sit with patients that are near death that do not have any family or friends to be with them.

How do you see the position of Vice President for Administration promoting and supporting the growth and health of the Via de Cristo ministry? I feel the VPA position should facilitate the exchange of ideas and good practices among Secretariats at our Annual Gathering. The VPA should reach out to Secretariats that are having success and share that information with Secretariats that are struggling. This position can be a clearing house of information to all Secretariats.

Why do you feel you would be the best person for this position? I have felt called to be more involved with VdC on many levels, as this ministry has meant so much to me. The friends my wife and I have made through VdC are priceless! I will share ideas with our Secretariats to help them move into new directions and more exciting times!
