

Region 2 Annual Report

Region 2 is still struggling. Please pray that we continue to be faithful to God's call.

Secretariats in Region 2 are Nebraska, South Dakota, Wisconsin, and Minnesota.

Ignite: Southern MN

I have tried to reach out to the new Convenor and have not had any success. They have been doing monthly travelling Ultreya's when weather allows. I believe they had two weekends planned, but do not have a report of attendance: one in the spring and one in the Fall.

They are challenged with workers and attendance. The next weekend has not been set yet.

South Dakota

They are currently holding Ultreyas and have a November 12th-15th, 2026 Weekend planned. They might need some help to hold the weekend.

Northern Light: Northern Wisconsin

In 2025 they had a Spring weekend: Men Pilgrims-5; Women Pilgrims-8.

and Fall Weekend: Men Pilgrims-5; Women - 9.

They also had a Spring and Fall Ultreya.

Sonrise: Southern Wisconsin

They had planned a Spring and a Fall weekend. I did not receive attendance numbers for those. I know that the Council has been burned out as the same people are serving on weekends. They had a Spring Weekend- all of the pilgrims that attended were from out of state. They had a meeting in May to dissolve, but people stepped forward to keep it going. Please pray that God renews this secretariat.

Minnesota Via De Cristo: Metro

We had a Separates weekend in February and 9 men and 12 women attended.

The Fall Co-ed weekend in August had 7 attend. A February Co-ed weekend in 2026 had 17 attend. We also had several Ultreyas and a Fundraiser in April of 2026. We are planning a Fundraiser in September at the Marty's Farm. The next Co-ed weekend will be in August.

There are a group of people working on getting Northern Minnesota going again as they have been just doing Ultreyas.

Nebraska

I have not heard from them in quite some time, and partly that is my fault, because my involvement in my own weekend took much of my time.

I enjoy working with all of you and pray for continued health and growth of this movement.

Respectively submitted,

Brenda Brown Region 2 Coordinator

Blessings of your journey.
