

## PALANCA COORDINATOR REPORT

**De Colores 4<sup>th</sup> Day!** One of the best gifts we can receive for a weekend are the prayers and blessings from other communities known as **Wall Palanca**.

**Best practices** for Wall Palanca is to address the letter to the Pilgrims of the Weekend without putting a date on the letter. You can use scripture verses, colorful artwork, words of encouragement, prayers, signatures from your 4<sup>th</sup> Day Members or any combination of those suggestions.

**To provide Wall Palanca for other Communities** simply upload your community Wall Palanca Letter to the [viadecristo.org/Weekends](http://viadecristo.org/Weekends) and you will see a drop down to Palanca. From there you will see a button that says "Share your Wall Palanca Here". Simply upload your document and once I receive the letter, I will review and identify the letter and place it with the collection of other Wall Palanca letters.

I have been collecting Wall Palanca from many of you this last year. Additionally, please consider updating your community Wall Palanca each year and submit it through the "Share your Wall Palanca Here" button.

### **To Receive Wall Palanca from other Communities:**

Before your weekend begins, you can get all the Wall Palanca that has been submitted by a very simple step. Log on to [viadecristo.org/Weekends/Palanca](http://viadecristo.org/Weekends/Palanca) and scroll down to "Click to Receive Palanca Here"

This will lead to the collected letters identified by Title and location. You can choose to print off as many letters as you like.

Blessings on your 4<sup>th</sup> Day!
